

Home Storage Upgrade Opportunities

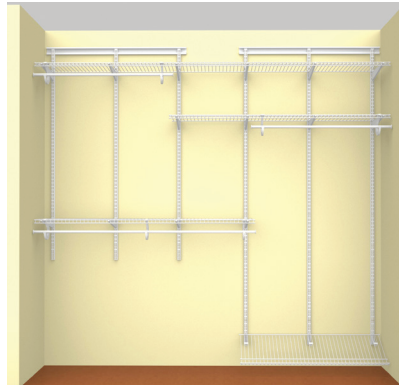

ClosetMaid offers flexible and versatile organization products that can be designed to fit any space, style and budget. Design services are complimentary. Let us help you design the right solution for your customers to increase customer satisfaction and your bottom line.

standard

SuperSlide®

Wire shelving maximizes reach-in and walk-in closets.

- *SuperSlide closet rods allow hangers to slide freely*
- *Works with fixed and ShelfTrack® adjustable mounting systems*
- *Ventilated, vinyl-coated steel wire construction*
- *All ClosetMaid wire shelving is certified by SCS Global Services for having a minimum of 90% recycled content*

deluxe

MasterSuite® and ShelfTrack®

Combine MasterSuite and ShelfTrack to suit any storage need.

- *MasterSuite is flexible enough to be wall or floor mounted*
- *Combines adjustable features of the ShelfTrack system with the style of MasterSuite*
- *Achieves a high-end look at an affordable price*
- *Add optional accessories such as drawers, wire baskets and pull-out hampers*

premium

MasterSuite®

Give your customer exactly what they want with MasterSuite's top-of-the-line customizable system.

- *Rich and stylish finish options include: White, Antique White, Warm Cognac, Chocolate Pear and Candlelight*
- *3/4-inch panels and shelves made of thermal-fused laminate, certified to meet CARB Phase II emission standards*
- *Raised-panel, contoured-edge and solid wood drawer front options*
- *Solid wood drawers come standard with soft-closing full-extension glides*
