Profitable Storage Solutions for New Construction

Why ClosetMaid® is your most profitable storage solution

Homebuyers' growing interest in storage and organization in their new homes means you can profit by working with a company that offers

- the most complete line of wire and laminate storage systems
- the leading brand at retail
- a Custom Closet Design Program that can help you sell upgrades to your buyers, at no additional cost.
- the nation's largest installing dealer network

Since ClosetMaid® products are completely finished, there's no need for painting sub-contractors, and you have more scheduling flexibility. Our wire and laminate storage products are designed to install quickly, either before or after the carpeting goes in.

ClosetMaid® storage and organization systems can enhance profit opportunities in every area of the home, from closets to kitchen to garage.

MasterSuite® Laminate Storage Systems

ClosetMaid's versatile shelving and organization products maximize space in every room of the home, from closets, to kitchen, to garage. Satisfy homebuyer demand for customization with shelving that's designed to meet specific needs.

Mounting Systems

ClosetMaid® offers a choice of two mounting systems for wire shelving. Both are designed to install quickly, either before or after the carpeting goes in, providing more scheduling flexibility.

ShelfTrack™

SHELFTRACK™

- A** Hang Track
- B** Standard
- C** Bracket
- D** Shelving

The adjustable, easy-to-install ShelfTrack™ system provides versatile storage in closets, pantries and garage. Use as a standard feature or upgrade. Homebuyers can easily add shelving to the system.

Traditional Fixed Mount

- A** Wall Clip
- B** Side Wall Bracket
- C** Support Bracket
- D** Shelving

The original, economical mounting system can be configured to fit any space or storage need.

SuperSlide®

SUPERSLIDE®

SuperSlide® shelving is a great all-purpose shelf. The addition of SuperSlide® hardware provides closet rods with continuous sliding hanger action. Corner shelves and rounder bars maximize space in walk-in closets. Upgrade the look with wood shelf fronts and chrome closet rods. Available in 12" and 16" depths.
