

- Doors and drawer faces have:
- Powder-coating for high durability
 - Textured finish
 - Scratch, stain & impact resistance

Maximize
Garage Space

Versatile Design

Adjustable leveler legs (3.75 in. - 4.5 in.)

Tread-plated metal drawer sides

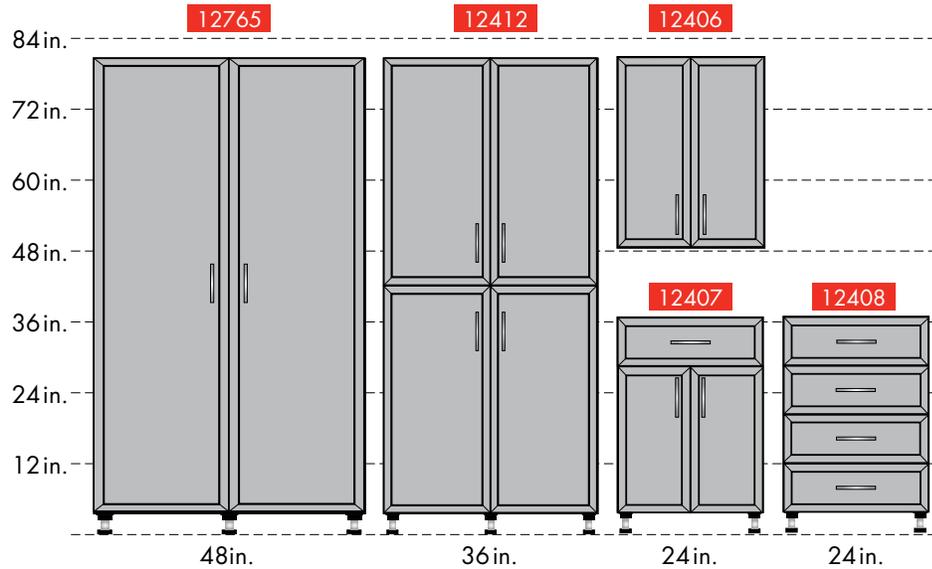

3/4 in. adjustable or fixed shelving options

ClosetMaid's ProGarage® storage system dramatically increases home storage efficiency by putting garage wall space to work. ProGarage is a durable system with stain, scratch and impact resistant, powder-coated doors and drawer fronts. The versatile design allows builders or homeowners to fit components together as needed to maximize garage storage space.

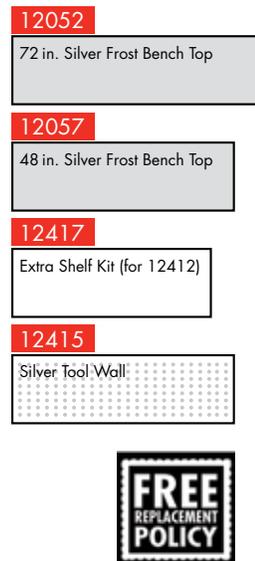

Program features:

- 3/4 inch construction
- Brushed steel handles
- 6-way adjustable hinges for cabinet door alignment
